

Szilveszter Ory

Senior Product Designer

Hungary

szilveszterory.com

szilveszter.ory@gmail.com

Experienced Senior Product Designer with over 6 years of experience crafting functional user experiences for both B2C and B2B SaaS products. Skilled in leading end-to-end design processes, leveraging both quantitative and qualitative research to make informed decisions. Fostering a collaborative approach to problem solving and bringing structure to team processes.

A self-aware detail-oriented individual contributor with an always positive and analytical mindset. A super-quick learner who approaches problems and priorities with a high EQ. A humble recognizer, a feedback-giver, a voice-of-reason.

Platomics, Senior product designer

Aug 2024 - present, Austria, Remote

- Designing med-tech solutions for labs to stay compliant with European standards.

LastPass, Senior product designer

Feb 2022 - Aug 2024, Hungary, Remote

- Designed complex security-focused SaaS solutions for 200k+ B2C daily users (Android, iOS) and 250k+ B2B technical IT administrators (web).
- Collaborated with cross-functional teams to improve the LastPass Authenticator app, boosting its user rating from 2.5 to 4.5 stars.
- Engaged with IT admins to gather insights and validate design directions for improvements of the LastPass Admin Console.
- Introduced an inclusive design critique framework to the team.
- Contributed to the design system on both mobile and web.
